

Golf House Tennessee

The Little Course at Conner Lane / Golf House Tennessee Learning Center

Facility Rules and Safety Policy

Our goal at Golf House Tennessee is to provide a safe and enjoyable golf experience in family friendly setting. Your help and cooperation is an essential part of our success in attaining that goal. We appreciate your ongoing role in setting a positive example for the next generation of Tennessee golfers.

Golf Course Reservations

Players may make Little Course starting times up to seven days in advance either online, in person or by calling the golf shop during regular business hours. Players may reserve up to three starting times (up to 12 people) subject to availability. Group reservations of 13 or more must be made directly with the Golf House office and are subject to approval. Players must cancel reservations no less than 24 hours in advance or be subject to loss of advance reservation privileges and/or be charged for the missed starting times.

Player Check-In

All golfers (members and daily fee players) are required to check in and register with the Golf Shop prior to starting their round. If possible it is recommended to check-in no less than 10 minutes prior to your appointed starting time. Golfers wishing to play an additional round must check in with the golf shop at the completion of their first nine to obtain another reservation for their second nine holes. All play must start on hole number one tee unless specifically directed by the Golf Shop staff.

Pace of Play

In order to assure an enjoyable place of play for all players, we have established a maximum target time of 90 minutes for all rounds. Since a primary mission of Golf House is to provide a welcome learning environment for players of all levels, with a particular emphasis on beginners and juniors, we ask that all players use common sense and courtesy when encountering the occasional stall in play. We will do everything that we can to keep play moving at a comfortable pace and ask for your help and cooperation in this area.

Conduct and Sportsmanship

All Players are expected to conduct themselves in a courteous and respectful manner at all times when on Golf House property. We have many impressionable young guests and it is critical that all of us set a great example at all times. Foul or abusive language will not be tolerated at any time. Club throwing or other inappropriate actions are not appropriate and may result in loss of playing privileges.

Care of the Course

Players should respect the golf course at all times and strive to leave it in better condition than they found it. Please do not take practice swing divots on the tees, repair all ball marks on greens, rake all bunkers and pick up your feet on the greens to avoid damage from cleats.

Equipment

All adults should have their own bag and set of clubs when playing. Due to the emphasis on youth and beginner golf, junior players age 16 and under accompanied by an adult may share either a golf bag or clubs with permission of the golf shop.

Age Requirements

Players 12 years old and under must be accompanied by an adult at all times during their stay at Golf House. This provision includes use of the golf course, driving range, short game area and putting green.

Players age 11 and 12 may, however, request to become certified by the Golf House staff in the areas of rules, course care, safety and general playing ability in order to receive a special exemption to play without an adult. Please contact the golf shop for more information on this program.

Please note that juniors age 12 and under that are on-site to participate in supervised Golf House Tennessee instructional programs and special events may also be exempt from such age restrictions during those events.

Golf House Tennessee Rules and Safety Policy (Continued)

Golf House Property

During play, players should remain on Golf House property at all times and at no time should attempt to cross Franklin Road or go onto the adjacent Vanderbilt Legends Club property. Players should also exercise caution with respect to onsite driveways and parking areas.

Non-Smoking Facility

Golf House Tennessee is a family oriented non-smoking facility. Smoking is not allowed on the Golf House Tennessee grounds, golf course, practice facilities or in any Golf House Tennessee buildings at any time. Violation of this rule may result in disciplinary action up to and including expulsion from the facility with no refund of fees.

Alcohol

Alcohol is at all times prohibited anywhere on the Golf House Tennessee property. Violation of this rule may result in disciplinary action up to and including expulsion from the facility with no refund of fees.

Errant Golf Shots

All players acknowledge and accept the general safety hazards inherent in the game of golf and as such assume full responsibility for any and all accidents or injuries resulting from instances of errant or misdirected golf balls, loose or flying golf clubs, or any other injury or damage that may be incurred during the course of play or practice while at Golf House Tennessee. Player should at all times take reasonable precautions to insure their own safety and the safety of others.

Lightning and Dangerous Weather Conditions

All players should take steps to be aware of any dangerous weather conditions in the area, including lightning, and should leave the golf course and seek shelter at the first sign of dangerous conditions. In the event Golf House elects to close the golf course and practice facilities due to weather conditions, all players must immediately cease play and seek shelter off of the golf course.

Vehicles and Parking

Visitors, guests and members may park in designated spaces and overflow parking spots at their own risk. All visitors to Golf House property acknowledge and accept the risk of damage to parked and moving vehicles due to errant golf balls and other risks associated with the game of golf. Golf House Tennessee assumes no responsibility for any damage resulting from parking or driving onto the its property and any claims for damages are strictly between the vehicle owner and the individual directly responsible for playing the errant shot causing the damage.

Course and Facility Closing

Golf House reserves the right to close the golf course and related practice facilities to both the general public and members from time to time for special events and ongoing instructional programs. The course and practice facilities may also be closed from time to time for regular maintenance and other repairs. Members and guests should call the golf shop if in doubt as to course and range availability for current schedule updates. The golf facilities will also be closed to members and the general public during the specified winter season.

Thanks in advance for your ongoing support and cooperation in making Golf House a great place for players of all ages and abilities to discover and nurture their love for the great game of golf.
